3

Qatorlarni davom ettiring.

6	6	6	6														
6	6	6	6														
6	6	6	6														
6	6	6	6														

4 Sanang va taqqoslang.

5 Rasmlardan foydalanib bo'sh katakchalarni to'ldiring.

$$\square + \square = \square$$

$$\square - \square = \square$$

6 Qonuniyatni aniqlang va keyingi shaklni chizing.
