

## Sinfda nimalar bor?

Atrofimizdagi narsalar har xil moddalardan yasalgan: yog'och, plastmassa, shisha, qog'oz.

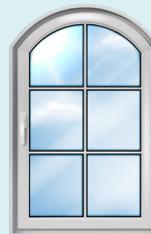

### Yog'och

### Plastmassa

### Shisha

### Qog'oz

Bizning sinfimizga qarang. U yerda nimalar bittadan ekan? Nimalar ko'p?

Sizning sinfingizda nimalar bor?  
Sinfimizdagi nimalar sizniki bilan bir xil,  
nima har xil ekan?

Suratdan mana shu buyumlarni toping. Ular nimadan yasalgan?
