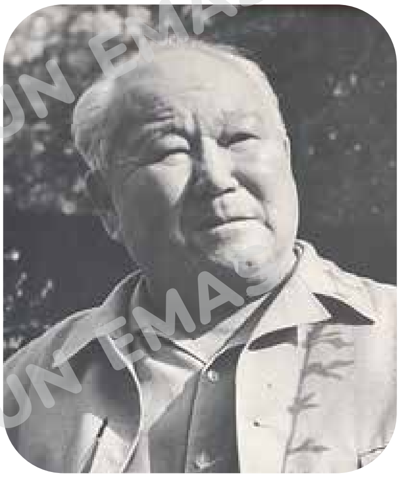
Ona yurtimiz

1. O‘zbekiston tabiati nimasi bilan maftunkor?
2. Tabiatimizning qanday manzaralari sizga ko‘proq yoqadi?



Diyorimiz bepoyon dalalar, baland tog‘lar, tekislik va dashtlarga boydir. O‘zbekiston – iqlimi issiq va serquyosh o‘lka. Vatanimizning go‘zal tabiati ko‘p rassomlarga ilhom bergan. Ulardan biri **O‘rol Tansiqboyevdir.** Bu rassom Toshkent shahrida tug‘ilgan. U yigirma yoshidan rasm chiza boshlagan. O‘zbekiston Davlat san’at muzeyi qoshidagi studiyada tahsil olgan.

1950-yillar boshidan asosan peyzaj janrida ijod qilgan. O‘rol Tansiqboyevning “Sirdaryoda oqshom”, “Dasht”, “Tog‘larda kuz” asarlari, ayniqsa, mashhur.
